FROM: G. R. Perfetti, P. E.
State Bridge Design Engineer

DATE: September 1, 2004

SUBJECT: LUMP SUM PROJECTS WITH DRILLED PIERS

When drilled piers are detailed on a lump sum project, place the following note on the plans:

No separate payment shall be made for any additional steel required in construction of the drilled pier as this is considered incidental to the linear foot (meter) price for drilled pier.

This policy is effective immediately. The Design Manual will be revised at a later date.
